

天津大学
Tianjin University

Admission to Undergraduate
Programs of
Tianjin University 2021

Founded in 1895, Tianjin University (TJU) is the oldest institution of higher education in the modern history of China. TJU has been selected as one of the first universities of Project 211 and Project 985 and the Class A universities of Global Tier-1 University Initiative in China. With regard to global accreditation, TJU ranks among top 10 universities in 2020 Airuishen Alumni Network Chinese University Rank and 59 in 2020 U.S. News World University Rank in Asia.

Qualification of Applicants

- 1 Applicants shall be non-Chinese citizens with a valid passport, and the conditions set by the Document No. 12 (2020) of Ministry of Education of the PRC should be met.
- 2 Applicant should hold a high school diploma and be under the age of 30. Applicants who are still under the age of 18 as of September 1st, 2021 must submit the original guardian certificate issued by the Tianjin District Notary Office, and the Guardian must be a permanent resident of Tianjin.
- 3 Language Proficiency Requirements:
Chinese-taught programs applicants need to submit HSK certificates. A minimum requirement of HSK4 (Score 195 or above) for Engineering/Science or HSK5 (Score 180 or above) for business/liberal arts is needed. (HSK results are not compulsory for applicants whose mother tongue is Chinese or have gone through their high school education where the medium of instruction was in Chinese.)
English-taught programs applicants need to submit English proficiency certificate (English native speakers are exempted). TOEFL: no less than 80, IELTS: no less than 6.0.
- 4 Applicants have good conduct, good physical and mental health, and be willing to abide by the laws and regulations of China and Tianjin university.

The programs are usually delivered in Chinese, while Chemical Engineering (IChemE Accredited), Environmental Science, Environmental Engineering and Pharmaceutical Science could be taught in English. Applicants can only apply for 2021 Fall Semester.

Catalogue of Programs

Program	
Applied Chemistry	Civil Engineering
Applied Chemistry (Engineering)	Communication Engineering
Applied Physics	Computer Science and Technology
Architecture	Data Science and Big Data Technology
Artificial Intelligence	Electrical Engineering and Automation
Automation	Electronic Business
Biological Engineering	Electronic Information Engineering
Biological Science	Electronic Science and Technology
Biomedical Engineering	Electronic Science and Technology (Optoelectronics Direction)
Building Environment & Energy Application Engineering	Energy and Power Engineering
Business Administration	Engineering Mechanics
Business Chinese	English
Chemical Engineering (IChemE Accredited)	Environmental Engineering
Chinese (For International Students)	Environmental Science
Chinese language & Literature	Finance

Financial Management	Materials Science and Engineering
Food Science and Engineering	Mathematical finance
Functional Materials	Mathematics and Applied Mathematics
Harbor, Coastal and Offshore Engineering	Measuring & Controlling Technologies & Instruments
Hydraulic Engineering	Mechanical Design, Manufacture & Automation
Industrial Design	Naval and Ocean Engineering
Industrial Engineering	Optoelectronic Information Science and Engineering
Information Management and Information System	Pedagogy
Integrated Circuit Design and Integrated System	Pharmaceutical Engineering
Internet of Things Engineering	Pharmaceutical Science
Law	Processing Equipment and Control Engineering
Logistics Engineering(*Smart Supply Chain & Operation Management)	Project Management
Marine Science	Software Engineering
Marine Technology	Synthetic Biology
Materials Forming and Control Engineering	

The programs in red could be delivered in English. (Pharmaceutical Science could be taught in English only.)

Application Documents

- 1 Scan of original high school diploma or original notarized diploma. (Scan of pre-graduation certificate is required if the applicants have not gained certificate. Please resubmit the original highest diploma or original notarized diploma before registration).
- 2 Scan of notarized copy of the high school academic transcripts or scan of international standardization test results (such as SAT/ACT/A-Level/AP/IB etc.).
