About TJU

Established in 1895, Tianjin University (TJU) is the first modern university in China and has been an academic leader in research and teaching, living up to the university motto of *Seeking Truth from Facts*.

In 1959, TJU became one of the first National Key Universities and in later years was among the first group of universities to be included in the Project 211/985 and the Double First Class Initiative.

1st Round: November 15, 2020 - March 15, 2021.

2nd Round: April 15, 2021 - June 15, 2021.

** Due to the limited quota in each school, early application is strongly recommended.*

2021 Master Programs

Tianjin University (TJU) offers Master Degree Programs in 106 majors from 22 schools for international students, most majors are delivered in Chinese, among them 23 majors are instructed in English.

School

Majors instructed in English

School of Architecture	Architecture Landscape Architecture Urban Planning	*accredited by UIA
School of Chemical Engineering	Chemical Engineering	*accredited by IChemE
School of Civil Engineering	Civil Engineering Hydraulic Engineering Ocean and Naval Structure Engineering	*accredited by JBM
School of Electrical and Information Engineering	Control Science and Engineering Information and Communication Engineering Electrical Engineering	
School of Environmental Science and Engineering	Environmental Science Environmental Engineering Heat Supply, Gas Supply, Ventilation and Air-conditioner Engineering	
College of Intelligence and Computing	Electronic Information	
College of Management and Economics	Business Administration (MBA)	*accredited by AMBA
School of Mechanical Engineering	Mechanical Engineering	
School of Pharmaceutical Science and Technology	Pharmaceutical Science	
School of Precision Instrument and Opto-electronics Engineering	Optical Engineering Instruments Science and Technology Biomedical Engineering Opto-electronics and Photonics Technology	
School of Science	Chemistry	
Institute of Molecular Aggregation Science	Chemistry	

Scholarships Available for Master Programs

1 Chinese Government Scholarship (CGS)

CGS usually covers tuition, stipend, on-campus accommodation and comprehensive insurance. Annual review is strictly required for all CGS holders. Applicants may choose either Type A or Type B channel to apply for CGS, but repeated application through both two channels is not allowed.

How to apply for CGS?

Type A

■ Applicants shall apply through Chinese Embassy or Consulate in the home country. For contact information of Chinese embassies/consulates, please visit the website of Ministry of Foreign Affairs of the People's Republic of China.

https://www.fmprc.gov.cn/mfa_eng/

■ When filling out the Chinese Government Scholarship Application Form, please list Tianjin University as your *Preferences of Institute I*. We would like to suggest applicants applying to Chinese Embassy or Consulate after getting Pre-admission Letter.

Type B

■ Applicants are required to submit the application through China Scholarship Council (CSC). Tianjin University Agency Number is 10056 for Type B.

<https://www.campuschina.org/>

■ After finishing the application, applicants need to download the Chinese Government Scholarship Application Form and submit the signed version to ISSS.

2 Tianjin Government Scholarship (TGS)

3 Tianjin University Scholarship in School of Civil Engineering and Technology (TJUSSCET)

Only for Civil Engineering, Hydraulic Engineering, Ocean and Naval Structure Engineering Programs instructed in English.

4 International Chinese Language Teachers Scholarsip(ICLTS)

Only for Teaching Chinese to Speakers of Other Languages Program (MTC SOL).

*For more information related to Scholarships, please visit: <http://sie.tju.edu.cn/en/jxj/>
