City of Gwangju and Chonnam National University

Gwangju

With a population of 1.5 million, Gwangju Metropolitan City is the 5th largest city in South Korea. Gwangju has never stopped playing a key role in the history of Korea's democracy and human rights movements. In particular, the May 18 Democratic Movement, Gwangju's uprising against the military dictatorship in early 1980's, set an example for the world. Gwangju is a city rich in culture and art, with exhibitions and performances all year around, making the city vibrant and colorful.

Gwangju is designated as an "International Safe Community" by International Safe Community Certifying Centre (ISCCC)

Chonnam National University

Founded in 1952, CNU has remained committed to fostering global leaders and professionals as one of Korea's most innovative universities with a reputation for its research, teaching, and leading in the local communities. Located in the Metropolitan City of Gwangju, CNU has 17 colleges and 11 graduate schools. With 2,200 academic staff members, it provides comprehensive education to 35,000 students including 2,150 international students from 79 different countries.

Campus	Gwangju	Yeosu
Credits	3-18	18
Courses	Students may choose any courses offered from CNU except medicine/dentistry/veterinary medicine/English Education	Intensive Korean: 12 credits Korean related studies: 6 credits

Nomination and Application

Nomination

The CNU Office of International Affairs will email the nomination URL to all of our partner universities.

The home institutions will select qualified students, and fill out the online form with the following information on the form

- ✎ First and Last name, Gender, Major/Intended Area of Study, Birthdate (MM/DD/YY), Email address, CGPA, and intended Term of Study

Application

CNU Office of International Affairs will email all nominated student(s) the URL for starting their online incoming exchange student application.

- ✎ Online-Application form (Please click the link below.)
- ✎ <http://international.jnu.ac.kr> → Inbound programs → Incoming Exchange Students → Application

Nominated students scan and upload the following documents on their online application:

- **SCANNED COPY OF OFFICIAL TRANSCRIPT** Digital copy of OFFICIAL transcripts from your home institution
- **A PHOTO** A head shot on a white background. Both ears must be revealed.
- **COLOR COPY OF PASSPORT** (include identification and signature pages)

Acceptance

CNU Office of International Affairs will email the home institution and mail official acceptance packets containing an Acceptance letter, Certificate of Admission, and the documents necessary to apply for a student visa (D-2).

- ✎ Accepted students are advised to wait to make travel plans and embassy/consulate visits until they have received their official acceptance packet.

Visa requirements

The regulations for obtaining a visa are subject to change. Successful applicants will receive a "Certificate of Admission" from CNU. Students are required to apply for a Student Visa (D-2) at a Korean embassy/consulate located in their home countries. After arriving in Korea, all exchange students are required to visit the Gwangju Immigration Office to apply for an Alien Registration Card. The card will be used as an ID (residence permit) during their stay here in Korea. It takes 3 weeks on average to have it issued.

Health insurance

Pursuant to the Korean National Health Insurance(NHI) Law and Regulations, all international students, including exchange students, who plan to stay in Korea for more than three months, are required to enroll in the nation-wide mandatory insurance plan at their own expenses. This mandatory plan will cost about USD 40 per month. Please note that this plan is required even when you have a similar insurance coverage from your home country.

✎ Cost : USD40/month

✎ Coverages

Various benefits are available, including dental and oriental medical treatment, and pregnancy and childbirth-related medical expenses.

* The above is inapplicable to non-covered items, such as treatment for diseases that do not affect work or daily life (example: plastic surgery)

- Outpatient Medical Service: 30%-60% of the NHI, covering expenses (varies by medical care institution type and area)
- Hospitalization Expenses: 20%
- Immediate Coverage: The insured is not required to claim benefits after receiving treatment.
- Number and Amount of Benefits: The number and amount of benefits are not limited

* Beneficiaries pay part of the medical expenses

In addition to the mandatory (minimum) plan discussed above, all international students at CNU are required to be covered by additional health insurance during their entire course of study. CNU has partnered with a local insurance company to provide an insurance plan for our international students. All international students must purchase this private insurance coverage that covers the following

✎ Cost : USD50/semester

✎ Coverages

Coverage	Maximum	Coverage	Maximum
Accidental death and Disability	100,000,000KRW	Liability of Reparation	100,000,000KRW
Sickness death and Disability	30,000,000KRW

CNU Student Cards

All new students will be issued a CNU student card. This card serves as a student ID, library card, and allows access to a variety of on-campus service. It is also can be used as a public transit card in Gwangju.

Academic Notes

Students need to fill out the form and send it to the CNU coordinator before the due date via email. The CNU coordinator will register the courses on behalf of the students but their choices cannot be guaranteed. Every first week of the semester, there is a "course add and drop" period, so student can add, or drop courses after their arrival at CNU. Course registration will be finalized after this period.

Students' home institutions have set the policy regarding the awarded credits for coursework completed at CNU. Students are responsible for knowing their home institutions' policies and procedures regarding this matter.

Important Academic information: CNU subscribes to the system of Korean CREDIT. CNU requires exchange students to take at least 6 Korean credits (about 9 ECTS) per semester. A single course at CNU usually grants 3 credits. (Workloads /Course = 3 hours a week, total of 45 hours per semester)

- Minimum credits to maintain CNU student status: 3 credits per semester
- Maximum credits for exchange students are allowed to take: 18 credits per semester
