Toyo Study Abroad Program Fact Sheet for 2025 Fall Enrollment (Exchange)

Eligibility	Important considerations																		
• Students who are enrolled in our partner universities, ISEP Exchange or UMAP Program A universities and were nominated by their home institution. • Students who are enrolled at their home institution for the entire period of study at Toyo University. • If the applicant has studied at Toyo University in the past, the total study period must not exceed one year (including previous time at Toyo). • Students whose G.P.A. is 2.5/4.0 or higher [Partner U], 3.0/4.0 or higher [ISEP/UMAP]. • Students who have a Japanese Language Proficiency Test (JLPT) score of N3 or higher or the equivalent of CEFR B2 or higher in English or who come from a university where the language of instruction is Japanese or English. • We can accept the following English scores. <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td>Cambridge Examination</td><td>160 or higher</td></tr> <tr> <td>Eiken</td><td>Pre-1 or 1</td></tr> <tr> <td>GTEC Advanced</td><td>1190 or higher</td></tr> <tr> <td>GTEC CBT</td><td>1190 or higher</td></tr> <tr> <td>IELTS</td><td>5.5 or higher</td></tr> <tr> <td>TEAP</td><td>309 or higher</td></tr> <tr> <td>TEAP CBT</td><td>600 or higher</td></tr> <tr> <td>TOEFL iBT</td><td>72 or higher</td></tr> <tr> <td>TOEIC L&R+TOEIC S&W</td><td>1530 or higher</td></tr> </table> • Please calculate as follows. Formula: TOEIC L&R score+(TOEIC S&W score÷2) e.g. TOEIC L&R 800, TOEIC S&W 300 →800+(300÷2)=1550	Cambridge Examination	160 or higher	Eiken	Pre-1 or 1	GTEC Advanced	1190 or higher	GTEC CBT	1190 or higher	IELTS	5.5 or higher	TEAP	309 or higher	TEAP CBT	600 or higher	TOEFL iBT	72 or higher	TOEIC L&R+TOEIC S&W	1530 or higher	• Students who don't have a Japanese or English language proficiency test score are required to submit an "English-Language Ability Certificate". Students can access the certificate on our website and Toyo Net-ACE. • If your home university mostly offers courses in English, you don't need to submit proof of your English language ability. Students studying at Toyo through partner university exchanges, UMAP Program A, and ISEP Exchange do not need to pay application fees or tuition. Support system - If you need special support or accommodations because of any sort of disability (learning or otherwise), please consult with us early in the application process. Affiliated faculty - During your study abroad program, you will be assigned to a faculty at Toyo that may not necessarily match the faculty/department of your home university. The faculty with which you are affiliated has no bearing on the courses you take while at Toyo. Academic level - Graduate students who participate in the study abroad program at

Life in Japan	
Meals	Campus cafeteria: Meals are available for about 550 JPY. The cafeteria is open 10:00 am to 8:00 pm, Monday through Saturday except during the university's long vacation periods and holidays. There are many supermarkets, convenience stores, and restaurants around Hakusan Campus.
Health Insurance	Study abroad students are required by Japanese law to enroll in Japanese National Health Insurance (NHI). The insurance fee is approximately 1,900 JPY per month. With Japanese National Health Insurance, students only have to pay 30% of the medical costs when they go to see doctors. More details about the insurance are provided during orientation sessions to be held upon your arrival. You will apply for NHI during orientation. In addition, we strongly recommend you to make arrangements for voluntary travel insurance in your home country that covers emergencies.
Student ID card	Toyo University issues study abroad students a student ID card, which is used to access Toyo University's libraries and PC rooms. This card also allows students to obtain discounts for travel fares, museum entrance fees, theater fees, etc.
Bank account	Study abroad students can open a bank account with a Japanese bank after they arrive in Japan. It takes about two weeks to open a bank account. Remittances from overseas to Japan usually take approximately one week to 10 days. We strongly recommend bringing a credit card which can be used in Japan. You cannot apply for a Japanese credit card until 6 months after you have registered as a resident.
Part-time	As a study abroad student, it is possible to get a part-time job and work up to 28 hours

work	per week. To do so, you must acquire Permission to Engage in Activity Other than that Permitted under the Status of Residence Previously Granted. You may get this Permission at the airport upon arrival or by going to the Regional Immigration Bureau. *The income of a part-time job is not enough to cover all the rent, food and other expenses while studying abroad. Make sure you have other ways to cover the expenses of studying abroad.
------	---

Living Expenses	
Living expenses (Excluding housing)	[For one month] Meals (approximately 50,000 JPY~) ※ Residence in the AI-House HUB-4 includes breakfast and dinner on weekdays except during long vacation periods. Beyond that, you should budget approximately 30,000 JPY for meals. National Health Insurance fees (1,900 JPY~) SIM card or phone bill (3,000JPY~) Other, such as transportation fee (5,000JPY~) *If you include commuter pass, you will need more than 10,000JPY~ [For semester] Textbooks and reference books (20,000 JPY~)
	Since Japan is still primarily a cash-based society, there are many cases where credit cards are not accepted. Study abroad students are recommended to have at least 150,000 to 200,000 JPY in cash for their first two months. *If you live in the AI-House or I-House, you will need to pay your September and October accommodation and bedding rental fees in September by cash.

Visa Procedure	
Study abroad students are required to obtain a Certificate of Eligibility and a visa for entering Japan.	
• [Certificate of Eligibility] After you submit your completed application for Certificate of Eligibility (COE) to Toyo University Support Office for COE and Status of Residence (TUGS Office), they will apply for your COE to the relevant immigration bureau. We will then upload the COE data on our portal system. • [Visa] A visa should be obtained in a Japanese diplomatic office in your home country.	
Certificate of Eligibility (COE)	You need to present your COE when you apply for a visa at a Japanese diplomatic office in your country. The COE also has to be submitted to the immigration officer when you receive landing screening at the port of entry so please print your COE and bring it with you. The COE becomes invalid unless you apply for landing (entry into Japan) within three months of its issuance. • The Certificate of Eligibility verifies, at the time of landing screening, that the activity in which a foreigner wishes to engage in Japan is not false and that the activity matches landing qualifications such as being an activity stipulated by a relevant status of residence under the immigration law (except the status of residence for short-time (three months) visitors). This document is issued by a regional immigration bureau under the jurisdiction of the Ministry of Justice to foreign nationals in advance of their arrival in Japan.
Financial Supporting	In order to obtain the COE, you are required to submit proof (in the form of bank statements, certificates of scholarships, etc.) that you can support yourself financially

Documents	with the equivalent of 150,000 JPY per month for your study period.
Visa	A visa is issued at a Japanese diplomatic office in your country. It is usually issued within five days of application. You are expected to enter Japan within three months of the issuance of the visa. The visa you will obtain is valid either for one year or 6 months, allowing you to enter Japan multiple times during your stay. * A visa signifies the judgment that a foreigner wishing to enter Japan has been deemed suitable to enter and stay in Japan. Please be aware that a visa does not guarantee the permission of entry (stay), but is deemed as one of the requirements for landing application at the port of entry (airport/seaport). As in many countries, Japan has a system in which a foreigner wishing to enter Japan is required to have permission from immigration offices, i.e. the said Certificate of Eligibility, in addition to a visa.
Visa application procedure	[Necessary items for visa application procedure] • Visa application form (available at a Japanese diplomatic office in your home country) • Valid passport • Two photos (size: 45 x 45 mm, taken within six months of the date of visa application.) • Certificate of Eligibility (COE) • Letter of Acceptance issued by Toyo University (photocopy) Information regarding visa/residing in Japan Please check the latest information. http://www.mofa.go.jp/mofaj/tokyo/visa/

Designated Date of Your Arrival in Japan
