PROGRAMS LIST

A Master's Programs

Generally 2 Years, some 3 Years. It is recommended to contact the supervisor in advance and those with * means Recommendation Letter from Potential Supervisor is REQUIRED.

School of Materials Science and Engineering (3 Years): Materials Science and Engineering
School of Electrical Engineering: Electrical Engineering
Faculty of Electronic and Information Engineering: Electronic Science and Technology; Computer Science and Technology; Information and Communication Engineering; Control Science and Engineering
School of Law: Law (Master of Laws in Chinese and International Business Law)
School of Public Policy and Administration (3 Years): Public Administration
School of Management: Business Administration
School of Aerospace Engineering (3 Years): Mechanics; Astronautical and Astronautical Science and Technology
School of Chemical Engineering and Technology (3 Years): Chemical Engineering and Technology; Power Engineering and Engineering Thermophysics
School of Chemistry (3 Years): Chemistry; Chemical Engineering and Technology
School of Mechanical Engineering: Mechanical Engineering
School of Economics and Finance: Applied Economics; Theoretical Economics
School of Marxism: Marxist Theory
School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics; Nuclear Science and Technology; Environmental Science and Engineering
School of Humanities and Social Science: Journalism and Communication (Master of Arts in Chinese Culture Studies)
School of Life Science and Technology (3 Years): Biomedical Engineering; Biology
The Frontier Institute of Science and Technology (3 Years): Chemistry; Materials Science and Engineering; Biomedical Engineering
School of Instrument Science and Technology (3 Years): Instrument Science and Technology
Health Science Center (3 Years): Biology; Human Anatomy; Histology and Embryology; Immunology; Pathogen Biology; Pathology and Pathophysiology; Pharmacology; Epidemiology and Health Statistics; Child, Adolescent and Maternal Health; Occupational and Environmental Health; Medical Chemistry; Pharmacology; Pharmaceutical Chemistry; Pharmacology; Pharmaceutical Analysis; Natural Medical Chemistry; Pharmacy Administration; Forensic Science; Nursing
Professional degree: Internal Medicine; Pediatrics; Geriatric Medicine; Neurology; Dermatology and Venereology; Emergency Medicine; Critical Care Medicine; General Medical Rehabilitation and Physiotherapy; Surgery; Orthopedics and Traumatology; Obstetrics and Gynecology; Ophthalmology; Otorhinolaryngology; Anesthesiology; Clinicopathology; Clinical Laboratory Diagnostics; Oncology; Radiation Oncology; Radiological Medicine; Nuclear Medicine; Stomatological Medicine

B Doctoral Degree Programs

Generally 3 Years, some 4 Years. Those with * means Recommendation Letter from Potential Supervisor is NOT required.

School of Materials Science and Engineering (4 Years): Materials Science and Engineering
School of Electrical Engineering: Electrical Engineering
Faculty of Electronic and Information Engineering: Electronic Science and Technology; Computer Science and Technology; Information and Communication Engineering; Control Science and Engineering
School of Law: Law
School of Public Policy and Administration (4 Years): Public Administration
School of Management (MBA): Business Administration
School of Aerospace Engineering: Mechanics; Astronautical and Astronautical Science and Technology
School of Chemical Engineering and Technology (4 Years): Chemical Engineering and Technology; Power Engineering and Engineering Thermophysics
School of Chemistry: Chemistry
School of Mechanical Engineering: Mechanical Engineering
School of Economics and Finance (MBA): Applied Economics and Engineering Thermophysics; Nuclear Science and Technology; Environmental Science and Engineering
School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics; Nuclear Science and Technology
The Frontier Institute of Science and Technology: Chemistry; Materials Science and Engineering; Biomedical Engineering
School of Software (4 Years): Computer Science and Technology
School of Life Science and Technology (4 Years): Biomedical Engineering; Biology
School of Mathematics and Statistics (4 Years): Mathematics; Statistics
School of Instrument Science and Technology (4 Years): Instrument Science and Technology
Health Science Center (4 Years): Physiology; Neurobiology; Genetics; Cell Biology; Biochemistry and Molecular Biology; Biophysics; Human Anatomy; Histology and Embryology; Immunology; Pathogen Biology; Pathology and Pathophysiology; Pharmacology; Epidemiology and Health Statistics; Child, Adolescent and Maternal Health; Occupational and Environmental Health; Medical Chemistry; Pharmacology; Pharmaceutical Chemistry; Pharmacology; Pharmaceutical Analysis; Forensic Medicine; Nursing
Professional degree: Internal Medicine; Pediatrics; Geriatric Medicine; Neurology; Dermatology and Venereology; Emergency Medicine; Critical Care Medicine; General Medical Rehabilitation and Physiotherapy; Surgery; Orthopedics and Traumatology; Obstetrics and Gynecology; Ophthalmology; Anesthesiology; Clinicopathology; Clinical Laboratory Diagnostics; Oncology; Radiation Oncology; Radiological Medicine; Nuclear Medicine; Stomatological Medicine; Otorhinolaryngology

Chinese-Medium Programs

A Master's Programs

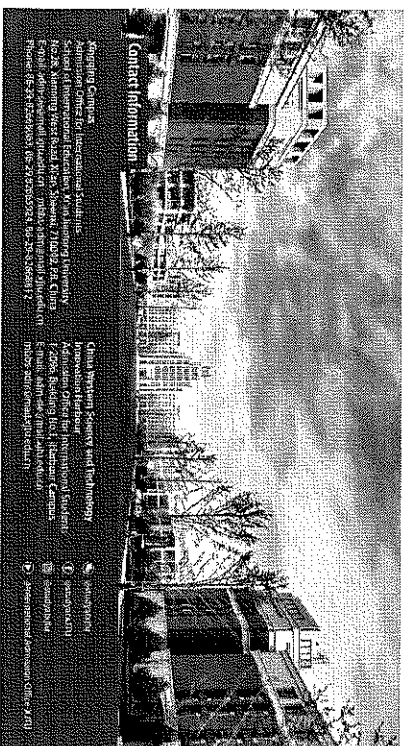

Generally 3 Years, some 3 Years. It is recommended to contact the supervisor in advance and those with * means Recommendation Letter from Potential Supervisor is REQUIRED.

School of Materials Science and Engineering: Materials Science and Engineering
Faculty of Electronic and Information Engineering: Electronic Science and Technology; Cyber Security
School of Law: Law
School of Chemistry: Chemistry; Chemical Engineering and Technology
School of Marxism: Marxist Theory
School of Human Settlements and Civil Engineering: Architecture; Civil Engineering; Environmental Science and Engineering
School of Humanities and Social Science: Journalism and Communication (Master of Arts in Chinese Culture Studies) (2 Years); Philosophy; Sociology; Journalism and Communication; Design Studies
School of Foreign Studies: Foreign Languages and Literatures; International Chinese Language Education (MCS) required
School of Physics: Physics; Materials Science and Engineering
School of Journalism and New Media: Journalism and Communication
School of Instrument Science and Technology: Instrument Science and Technology
Health Science Center: Stomatological Medicine

B Doctoral Degree Programs

Generally 3 Years, some 4 Years. Those with * means Recommendation Letter from Potential Supervisor is NOT required.

School of Materials Science and Engineering (4 Years): Materials Science and Engineering
Faculty of Electronic and Information Engineering: Electronic Science and Technology; Cyber Security
School of Law: Law
School of Chemistry: Chemistry

POSTGRADUATE STUDIES

2025

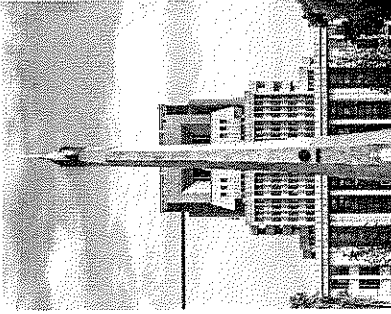

XJTU

Xian Jiaotong University (XJTU), is the national key university directly administered by the Ministry of Education of China. It is the top 10 research university in China and member of China's Ivy League — C9 League. It was ranked No. 10 on the list of 2024 Shanghai Ranking of Chinese Mainland.

XJTU is a comprehensive research university with 11 major categories of disciplines: science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary, and 34 schools, 9 colleges for undergraduates and 3 affiliated hospitals. There are four campuses, namely Xingqing campus, Yanta campus, Qilang campus and China Western Science and Technology Innovation Harbour, with a total area of about 533 million square meters.

The University now has 59,267 full-time students, including 24,539 undergraduates, 31,194 postgraduates, and 3,544

Welcome to apply for XJTU!

School Motto: Diligent in Study, Persistent in Ambition, Determined in Action, Competent in Work

Application Schedule

Online application: November 17, 2024 – April 15th, 2025
Deadline for payment: April 18th, 2025

The application deadline for the CSC-Chinese University Program refers to the announcement on the School of International Education website.
School of International Education website address:
<https://ite.xjtu.edu.cn/index.htm>

Duration of Program

Master's degree: 2~ 3 years
Doctoral degree: 3 ~ 6 years

Scholarships

- CSC-Chinese University Program**
A waiver of tuition fees, free on-campus dormitory accommodation, Monthly living allowance, and Comprehensive Medical Insurance for International Students in China.
- XJTU-Syuan International Student Scholarship**
A waiver of tuition fee, Monthly living allowance.
- XJTU-Xinm City Government "Belt and Road" International Student Scholarship**
A waiver of tuition fee, Monthly living allowance.

Note:

- Scholarships cover the basic study duration as prescribed in the admission notice.
- Accommodation and comprehensive medical insurance are NOT included in XJTU-Syuan International Student Scholarship and XJTU-Xin City Government International Student Scholarship.
- All the scholarship laureates must take the Scholarship status Annual Review to confirm the next year's scholarship status and/or level after being admitted.
- The Annual Review Result of Chinese Government Scholar ship may result in the following scholarship status: funding, suspension, or cancellation.
- The Annual Review Result of XJTU-Syuan International Student Scholarship and XJTU-Xin City Government "Belt and Road" International Student Scholarship may result in funding, suspension, cancellation or change of allowance level.

Eligibility

- Applicants must be non-Chinese citizens with valid ordinary passports.
- Applicants must be in good health.
- Applicants for a Master's degree must have a Bachelor's degree and be under 35 years of age.
Applicants for a Doctoral degree must have a Master's degree and be under 40 years of age.
- Applicants may not receive any other types of scholarship.

Application Procedure

Step 1. Online application at CSC website at <http://www.campuschina.org/>.
Download the completed Application Form for Chinese Government Scholarship, print and sign your name.
Program Type: B

Step 2. Online application at Xian Jiaotong University's International student application system at <http://iso.xjtu.edu.cn/ncscal/login>

Please check **Application Documents** for the detailed checklist and prepare corresponding documents.

Step 3. Pay the application fee.
(The university will send a Payment Notice for Application through system information/email to those who pass the initial review.)

Step 4. Application complete.
Students should pay close attention to the application system and registered email; follow up on the latest information, such as academic review, pre-admission review, tuition payment and acceptance information, etc.

NOTES:

- Application fee is 600RMB which is non-refundable.
- Online application is the only way to submit the application. Hard copies are unacceptable.

Application Documents

All documents must be complete, true, and correct in either Chinese or English.

- Application Form for Chinese Government Scholarship**
Downloaded after online application in CSC system.
- XJTU Application Form for International Student**
Automatically formed after online application in XJTU system.
- Completed Original Physical Examination Record for Postgraduate and Undergraduate**
The physical examination must cover ALL the items listed in the form. Download at <http://iso.xjtu.edu.cn/ncscal/2nded/zh/zhcn.htm>. Download at <http://iso.xjtu.edu.cn/ncscal/2nded/en/en.htm>. The form with incomplete records or without the suggestion and signature of the attending physician, who is the cross-edge stamp of the hospital or a seal of the hospital, will not be accepted. The applicant is invited to re-submit to the school before the application time to take a re-examination. The re-examination is valid for only 6 months.
- Original Non-criminal Record within the valid period**
- Original Highest Diploma and Its Notarized Copy**
Prospective diploma winners must submit an official certificate from their current university.
- Original and Notarized Copies of Transcripts**
Undergraduate record

The transcripts should include the grades of undergraduates. Masters (or any) Doctoral (if any) period of study up to the most recent semester. The transcript should be issued and stamped by the Academic Affairs Office, Graduate School or the relevant student administration department of the school.

Recommendation Letters

Two original recommendation letters written by professor or associate professor. If applicant have already received provisional acceptance from professor at XJTU, please provide Xian Jiaotong University Recommendation Letter from a Potential Supervisor, one of the two recommendation letters. The format can be downloaded at <http://iso.xjtu.edu.cn/ncscal/2nded/zh/zhcn.htm>. Only require Special Attention for PhD applicant. Score sheets should be checked the Recommendation Letter from the Potential Supervisor. Please check the latest information of professors.

Degree Programs:

Degree Programs:
Please see information:
<http://iso.xjtu.edu.cn/ncscal/2nded/zh/zhcn.htm>

Admission Notification

- Admission will be given to the outstanding candidates based on the comprehensive review results of application documents, interview, and oral examinations, etc. The university will decide whether to grant a scholarship to the applicant and which scholarship or allowance level to grant according to the ranking of comprehensive review results as well as the seats of each scholarship in that year.
- Make sure your email, telephone number, and postal address correctly be filled in the application system as they are key to getting you contacted during the admission process. Failure to respond to the university in time as required may lead to automatic rejection.
- As a general rule, applicants are not allowed to change their study status information such as university, category, subject, teaching language, study duration etc. once they get admitted.
- The university will provide the Admission Notice. M201/2022

8. **A Study Plan or Research Proposal**
Applicants must submit a written study plan or research proposal in English or Chinese, with a minimum of 800 words for a Master's degree and 1500 words for a Doctoral degree.

Special Attention for PhD applicants: You are required to use the format of Xian Jiaotong University Study Plan for Doctoral Degree program which can be downloaded at <http://iso.xjtu.edu.cn/ncscal/2nded/zh/zhcn.htm>.

9. **Original Research Achievement and Notarized Copies**
Applicants may submit published research papers, award certificates or other documents to prove their achievement and ability in academic research.

10. **Certificate of Academic Proficiency**
Applicants must provide a Certificate of Academic Proficiency (CAP) issued by HSK 5.0 and above TOEFL 80 and above. Other language proficiency certificates are also acceptable upon approval by XJTU.
Chinese taught programs: Report of a valid HSK 4.0 points and above. Other language proficiency certificates are also acceptable upon approval by XJTU. Those who have taken Chinese-taught courses to obtain a Chinese university degree are exempt from the HSK certificate.

To apply for the English-taught professional degree of Clinical Medicine master's program (including Stomatological Medicine), you must also provide a valid Chinese proficiency certificate in addition to the English proficiency certificate.

The university may decide to add a one-year Chinese language study prior to the academic study according to the applicant's Chinese language proficiency. Only students who reach the standard of language proficiency could enter major study.

Philosophy of Valid Ordinary Passport

The passport should be valid later than September 2023. If you do not meet the requirements, please renew your passport at time.

Notes:

- Not originally included in the system should be clear, true and valid. It is recommended that the applicant use professional equipment to scan the relevant documents to be submitted, and the consequences caused by the unclear or unidentifiable materials shall be taken by the applicant.
- Incomplete Applications will be rejected.
- No application documents mentioned above will be returned whether the application is successful or not.
- Notarized Chinese/English versions are required for documents with languages other than the two.

form. Information Form for Study in China for the admitted applicants to apply for a visa to come to China. Those who are with other types of visa will not be allowed for registration at XJTU.

5. Admitted applicants should register at XJTU strictly in accordance with the date and place prescribed on the Admission Notice (usually in September and the specific time depends on the admission letter). Failure to do so within two weeks will result in the admission and scholarship status being invalid.

6. At the time of registration, the school will make a qualification review to re-evaluate the eligibility of the student. As part of the qualification review, the school will recheck all the documents and personal information of the student, including identity information, original graduation and degree certificates, language proficiency certificates, etc. The school will also check the behavior of the student to ensure that they are a law-abiding citizen and have maintained good moral conduct before the registration period. Please bring the Chinese Highest Diploma and Original Physical Examination Record for Postgraduate and Undergraduate to registration. Those who fail to pass the qualification review will be disqualified from admission and scholarship status.
